All financial aid, registration, and admissions requirements ***MUST be completed and processed by the Financial Aid priority deadline of December 11, 2026,*** in order to ensure financial aid is authorized to your invoice before the January 6 payment deadline. It is imperative that you visit or communicate with the Cashier's Office or Financial Aid Office to determine your options to properly address your account. Textbooks

GSU partners with Barnes & Noble College to provide you with textbooks through a program called First Day Complete. This service entails a fee that will be included on your invoice based upon the courses for which you have registered. With this service, materials are conveniently prepared for you before the first day of classes. There is an Opt-Out option available to you if you choose to obtain textbooks on your own. For more information, please visit https://www.glenville.edu/first-day-complete or email cashiers@glenville.edu or call 304-462-6190.

Financial Aid Credit Balance

Financial aid credit balances will be available beginning **Friday, January 29, 2027,** for students who have **all** financial aid, registration, attendance, and admissions requirements completed. Financial aid credit balances will continue to be processed weekly, throughout the semester, as eligibility requirements continue to be completed.

Please note that financial aid credit balances will not be disbursed until **class attendance has been verified by faculty**.
